

## Creation or Evolution? - Give the Bible a fair hearing

1500 BC - 100AD

or

1859

**“Darwin was one of history’s towering geniuses and ranks with the greatest heroes of man’s intellectual progress”**

**George Gaylord Simpson ‘The meaning of Evolution’**

**“It remains true ... that most new species, genera and families ... appear in the (fossil) record suddenly, and are not led up to by known gradual, completely continuous transitional sequences”**  
**(G.G.Simpson, The Major Features of Evolution, 1953 p. 360)**

**Darwin's theory was dependent on 2 major assumptions**

**1. That evidence would be found from the fossil record to show the many gradual changes from one species to the next.**

"The extreme rarity of transitional forms in the fossil record ... (is) the trade secret of palaeontology  
*Steven Jay Gould*

**2. That the basic unit of life (The cell) was very simple.**

**“No one can propose to defend Darwin without meeting the challenges set out in this superbly written and compelling book” - David Berlinski**

**Many examples of “irreducible complexity”**

**Darwin's theory was dependent on the basic unit of life, the cell (Darwin's black box) being very simple**

**Darwin's theory was dependent on the basic unit of life, the cell (Darwin's black box) being very simple**

**400,000 cells to fill a normal size letter O**

### **Meet the simple cell**

## Before a protein is made

- Information is stored in nucleus as DNA
- DNA copy made in nucleus
- Copy floats to pore
- Pore recognises DNA copy and opens (gated transport)
- Copy floats into cell fluid

**Thousands of chemical reactions are constantly taking place in the cell**

**Every section must function perfectly for the cell to live**

**Cell Replication**

**Identical - but different**

**50,000,000,000,000,000 cells to form a human**

### **Cell Replication**

**Skin, Nails, Hair, Flesh, Muscle, Bone, Tendon, Heart,  
Lungs, Liver, Stomach, Pancreas, Kidneys, Gall bladder,  
Brain, Nerves, Glands, Eyes, Ears, Nose, Blood, ....**

**Each organ in the right place to inter-react with others**

**Over 200 different bones, each in exactly the right position**

---

**Features often passed on from parent to child - via one cell**

**Facial features,                      Physical build**

**Mannerisms - Eg. Mode of walking**

**Special talents - Eg. Music**

**Evidence  
for Creation**

**Psalm 139:14 I will  
praise thee; for I am  
fearfully and  
wonderfully made:  
marvellous are thy  
works; and that my  
soul knoweth right  
well.**

**Evidence  
for Creation**

**Evidence  
for Creation**

**Was this  
designed?**

**Evidence  
for Creation**

The wing of the humming bird beats at 70 times per second (necessary to allow it to hover beside the flower). How did such a mechanism evolve?

**Evidence  
for Creation**

How did the flower and the bird  
evolve separately?

**Evidence  
for Creation**

**Evidence  
for Creation**

**Evidence  
for Creation**

**Arctic  
Tern**

**Flies 24000 miles  
in 8 months**

**Darwin thought  
evidence would be found  
in the fossil record to  
support his theory**

**It has not!**

**Darwin thought the  
cell was 'simple'**

**It is not!**

**Are evolutionists prepared to  
give the Bible a fair hearing?**

**Evidence for evolution so far**

**Warning This is a work of fiction**

**Exposure to contents for  
extended periods of time or  
during formative years in children  
may cause delusions,  
hallucinations, decreased  
cognitive and objective reasoning  
abilities, and, in extreme cases,  
pathological disorders, hatred,  
bigotry and violence including,  
but not limited to fanaticism,  
murder and genocide.**

**"Religion must now be treated as a sickness."**

PART 1. *The God Delusion*

PART 2. *The Virus of Faith*

Dawkins presents his view of religion as a cultural virus that, like a computer virus, once downloaded into the software of society corrupts many of the programs it encounters.

Creative intelligences, being evolved, necessarily arrive late in the universe, and therefore cannot be responsible for designing it. (p. 31)

To be fair, much of the Bible is not systematically evil but just plain weird, as you would expect of a chaotically cobbled-together anthology of disjointed documents, composed, revised, translated, distorted and 'improved' by hundreds of anonymous authors, editors and copyists, unknown to us and mostly unknown to each other, spanning nine centuries. (Chapter 7)

## **Dawkins theory is dependent on 2 major assumptions**

### **1. That there is no God**

Galatians 6:7 Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.

### **2. That popular 'Christianity' is based on the Bible.**

Exodus 20:13 Thou shalt not kill.

James 4:11 Speak not evil one of another, brethren. He that speaketh evil of his brother, and judgeth his brother, speaketh evil of the law

'Addressing the conclusions of The God Delusion point by point with the devastating insight of a molecular biologist turned theologian, Alister McGrath dismantles the argument that science should lead to atheism, and demonstrates instead that Dawkins has abandoned his much-cherished rationality to embrace an embittered manifesto of dogmatic atheist fundamentalism.'

*Francis Collins, Director of the Human Genome Project*

## **5 Reasons why You should give the Bible a fair hearing**

- 1. It issues a challenge about God's existence. (Isa. 43:8-13)**
- 2. It reveals the truth about life & death. (Psalm 49)**
- 3. It shows why the world is in a state of chaos. ( 2 Tim. 3)**
- 4. It warns that God is about to intervene. (Acts 17:13-33)**
- 5. The Bible is able to lead us to salvation. (2 Tim.3:15)**

## **The way we approach the Bible is important**

James 1:21 Therefore lay aside all filthiness and overflow of wickedness, and receive with meekness the implanted word, which is able to save your souls. (NKJV)

**Last eve, as I passed a blacksmith's door,  
And heard the Anvil ring, the vesper chime,  
And looking in I saw upon the floor,  
Old hammers worn out with beating years of time.**

**“How many anvils have you had” said I,  
To wear and batter out these hammers so?  
“Just one” he said with twinkling eye!  
“The anvil wears the hammers out you know”**

**And then we thought the anvil of God's word,  
For ages, sceptic blows have beat upon,  
And though we too have heard the noise of falling blows,  
The anvil is unharmed, the hammers - Gone!**

**The choice is yours**

How we read  
it is important

... receive with  
meekness the  
engrafted word,  
which is able to  
save your souls.  
(James 1:21)

**We are in need of salvation -  
Dare we criticise our Saviour?**

**Happy is he that hath the God of  
Jacob for his help, whose hope is  
in the LORD his God: Which  
made heaven, and earth, the sea  
and all that therein is: which  
keepeth truth for ever.**

**(Ps.146:5-6)**

This DVD aims to show that there is no conflict between the Bible text and the observable facts in science

ANCHORAGE, Alaska (AP) — As a candidate for governor, Sarah Palin called for teaching creationism alongside evolution in public schools. But after Alaska voters elected her, Palin, now Republican John McCain's presidential running mate, kept her campaign pledge to not push the idea in the schools.
