Hip hip hooray!

Adapted from "hep
hep," an old German

cry.

In 1819 Germany citizens and others began using it as their rallying cry while going "Hebrew-hunting" in the Jewish ghettos.

Lloyd George, 1923

Of all the extreme fanaticism that plays havoc in man's nature, there is none as irrational as **anti-Semitism**.

The Jews cannot vindicate themselves in the eyes of these fanatics.

If the Jews are rich, they are victims of theft and extortion.

If they are poor, they are victims of ridicule.

Lloyd George, 1923

If they take sides in a war, it is because they wish to gain advantage from the spilling of non-Jewish blood.

If they espouse peace, it is because they are scared and anxious by nature, or traitors to their country.

If the Jew dwells in a foreign land, he is persecuted and expelled.

If he wishes to return to his own land, he is prevented from doing so.

Leviticus 26:32-33

And I myself will devastate the land, so that your enemies who settle in it shall be appalled at it.

And I will scatter you among the nations, and I will unsheathe the sword after you, and your land shall be a desolation, and your cities shall be a waste.

Your life shall hang in doubt before you. Night and day you shall be in dread and have no assurance of your life.

Martin Gilbert Jewish History Atlas

As my research into Jewish history progressed, I was surprised, depressed, and to some extent overwhelmed by the perpetual and irrational violence which pursued the Jews in every country and to almost every corner of the globe.

If, therefore, persecution, expulsion, torture, humiliation, and mass murder haunt these pages, *it is because they also haunt the Jewish story.*

He took no reward, but sought to further the Zionist cause.

The Balfour Declaration

"His Majesty's Government **view with favour the establishment in Palestine of a national home for the Jewish people**, and will use their best endeavours to facilitate the achievement of this object, it being clearly understood that nothing shall be done which may prejudice the civil and religious rights of existing non-Jewish communities in Palestine, or the rights and political status enjoyed by Jews in any other country."

2 November 1917
